

## Hyde Park Vaccine Requirement Information

All students, faculty, staff, and on-site contractors will be expected to be inoculated against Covid-19 by October 15. This policy will allow exemptions for medical reasons or for those with sincerely held religious belief. Additionally, deferrals will be available for anyone pregnant. Those with an approved exemption or deferral will be required to remain masked on-campus in all indoor areas, and any outdoor area when physical distancing cannot be maintained, consistent with CDC guidance.

### **Submitting Your Proof of Vaccine**

An image of your Vaccination Card demonstrating you have completed the one dose Johnson & Johnson Vaccine or the two dose Pfizer or Moderna vaccines should be submitted as follows.

### **Vaccine Opportunities & The CIA Fall Semester Free Vaccination Clinic**

The CIA is pleased to offer a **Free Vaccination Clinic on campus Friday, September 10 from 10am until 3pm**. The clinic will be administered by Village Apothecary who we have worked with on our prior clinics. You may register to participate [at this link](#).

- The Clinic will offer the first dose of the Pfizer Vaccine or the single dose of the (one-and-done) Johnson & Johnson Vaccine.
- A second dose clinic will be held on-campus October 1 for the Pfizer Vaccine. You will automatically be enrolled in the second dose clinic (at the exact same time of day) when you choose your timeslot for the first dose clinic.
- If you received a first dose before arriving to campus, you may get a second dose of either the Pfizer or Moderna Vaccine on September 10 provided your first dose was administered no later than August 13 (Moderna) or August 21 (Pfizer).

### **Exemption & Deferrals**

This policy allows for exemptions for medical reasons or for those with sincerely held religious belief. Additionally, deferrals will be available for anyone pregnant. To apply for an exemption or deferral, please follow the instructions below:
